RE: Buy American Act Waiver – Electronic Faucet Transformers
Model Numbers 240.630.00.1 and 240.631.00.1

To Whom It May Concern:

Pursuant to the Buy American Act, Chicago Faucets has attempted during the last 15 months to secure a U.S. source for electronic faucet transformers. Unfortunately, our researches have revealed that such transformers are not, as stated in the Act, “manufactured in the U.S. in sufficient and reasonable available commercial quantities and of a satisfactory quality” (per FARS 25.104).

For these reasons, Chicago Faucets hereby requests a waiver under the Buy American Act, allowing our electronic faucet transformer to be considered BAA-compliant.

Chicago Faucets will continue to monitor domestic sources of supply for the availability of electronic faucet transformers that meet the quality and availability requirements of the BAA. Should a suitable domestic source emerge, we will make a good-faith effort to procure transformers from that source.

Thank you very much for your consideration. Please contact Chicago Faucets at 800/323-5060 with any questions or requests for further information.

Sincerely,

A handwritten signature in black ink, appearing to read "Andreas Nowak".
