

Electronic Convenience with Chicago Faucets Durability

The New E-Tronic™ 40

Introducing our newest electronic lavatory faucet. Available in both AC and DC versions, the E-Tronic™ 40 incorporates advanced technology for dependability and convenience. With hermetically sealed, above-deck electronics for easy maintenance and long-term reliability, the E-Tronic™ 40 is a great new option for your commercial lavatory applications.

Geberit Commander™ software compatible
(device purchased separately)
