Cartridges

The Heart of a Chicago Faucet

A cartridge is the heart of any faucet. It regulates the flow of water and is the single most important component that effects overall performance.

Chicago Faucets offers a complete selection of commercial-grade cartridges including the Quatum® Truly an American original - it is a solid piece of engineering that has set the standard for commercial faucets for the past century. While there are imitations, there is no substitute for the quality of a Chicago Faucet cartridge.

The Chicago Faucet cartridge collection includes more than 100 types of cartridges designed for your application needs. This collection includes a choice of: Quatum, Ceramic, Slow Compression, Metering and Klo-Self self-closing cartridges.

Quatum® Compression Cartridge

- Opens and closes in just a 1/4 turn
- Unique design closes with water pressure
- Standard in all centerset and widespread faucets for sink and lavatory
- ADA Compliant when used with lever or wing handles
- Renewable parts available

Product No.	Description
1-099-245JKNF	Exposed Cap, Short Stem, Right Hand Control-A-Flo
1-099XTJKNF	Exposed Cap, Short Stem, Right Hand
1-100-245JKNF	Exposed Cap, Short Stem, Left Hand Control-A-Flo
1-100XTJKNF	Exposed Cap Short Stem, Left Hand
377-X245LHJKNF	Concealed Cap, Long Stem, Left Hand Control-A-Flo
377-X245RHJKNF	Concealed Cap, Long Stem, Right Hand Control-A-Flo
377-XTLHJKNF	Cap Concealed with Escutcheon, Left Hand
377-XTRHJKNF	Cap Concealed with Escutcheon, Right Hand

Note: Left handed cartridges are used for both hot and cold sides with non-lever handles

Ceramic Cartridge

- Positive 1/4 turn, eliminating handle travel
- Available as a substitute for the Quatum® compression cartridge
- ADA Compliant when used with lever or wing handles

Product No.	Description
1-099XKJKNF	Exposed Cap Short Stem, Right Hand (Single Identifying Groove in Valve Stem)
1-100XKJKNF	Exposed Cap Short Stem, Left Hand
377-XKLHJKNF	Cap Concealed Long Stem, Left Hand
377-XKRHJKNF	Cap Concealed Long Stem, Right Hand (Single Identifying Groove in Stem)
2300-XJKNF	For Marathon Single Control Kitchen and Lavatory Faucets

Note: Left handed cartridges are used for both hot and cold sides with non-lever handles

Slow Compression Cartridge

- For use where finer adjustment of water temperature and volume is required
- Most common in laboratory fittings
- Requires approximately one full turn to open and close completely
- ADA Compliant when used with lever or wing handles

Product No.	Description
217-XTLHJKNF	Exposed Cap, Left Hand, Short Stem
217-XTRHJKNF	Exposed Cap, Right Hand, Short Stem
274-XTLHJKNF	Concealed Cap, Left Hand, Long Stem
274-XTRHJKNF	Concealed Cap, Right Hand, Long Stem
376-CXJKNF	Slow Compression Cartridge with Integral Check Valve
937-XSTNF	Steam Cartridge
962-XJKNF	Needle Point Cartridge for Laboratory Use
966-XJKNF	Micro Needle Point with Brass Seat Cartridge for Laboratory Use
966-XSSJKNF	Micro Needle Point with Stainless Steel Seat Cartridge for Laboratory Use

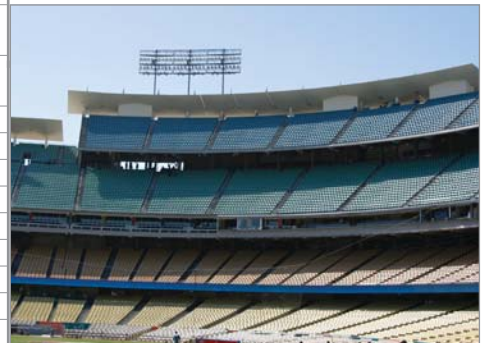

Metering Self-Closing, Adjustable Water-Conserving Cartridge

- These cartridges close either upon release or within a 2-15 second cycle time
- Helps reduce water usage in high traffic locations

Product No.	Description
Naiad Cartridges	
333-XPSHJKNF	Exposed Cap, Push Button, Immediate Cycle Closure - Not ADA Compliant
333-XSLOCOLDJKNF	Exposed Cap, Push Button, Adjustable Cycle Time Closure Feature - Not ADA Compliant. Indexed "C" For Cold Water.
333-XSLOPSHJKNF	Exposed Cap, Push Button, Adjustable Cycle Time Closure Feature - Not ADA Compliant. Indexed "PUSH".
335-XJKNF	Exposed Cap "Tip-Tap" Cartridge, Adjustable Cycle Time Closure Feature (For Use With Standard "Tip-Tap" or Duckbill [ADA] Handles)
409-XJKNF	Exposed Cap "Tip-Tap" Cartridge, Adjustable Cycle Time Closure Feature (For Use With Standard "Tip-Tap" or Duckbill [ADA] Handles)
Pedal Box Cartridges	
625-XJKNF	Pedal Box Cartridge, No Index High Flow Characteristics, Immediate Closure
628-XJKNF	Pedal Box Cartridge, No Index Low Flow Characteristics, Immediate Closure
MVP™ Adjustable Timing Cartridges	
665-190KJKNF	MVP Actuator Assembly
667-080KJKNF	MVP Actuator Assembly and MVP Valve with Filter Screen
671-XJKNF	MVP Valve with Filter Screen
Miscellaneous Cartridges	
386-LDPXJKNF	Glass Filler Cartridge

Note: MVP™ cartridge with 665 handle meets ADA requirements.

Klo-Self Self-Closing Vandal Resistant Cartridge

- Self-closing, closes upon release of the handle by the user

Product No.	Description
825-XJKNF	Valve and Actuator Complete, For Concealed Cap Installations, Instant Closing
826-XJKNF	Valve and Actuator Complete, For Exposed Cap Installations, Instant Closing

Klo-Self cartridges are interchangeable with right or left hand installation.

Chicago Faucets, a member of the Geberit Group, is the leading brand of commercial faucets and fittings in the United States, offering a complete range of products for schools, laboratories, hospitals, office buildings, food service, airports and sports facilities. Whatever your requirements may be, Chicago Faucets extensive standard and made-to-order product offering are designed to meet any commercial application.
